Details:

Description

Prime Location: Situated between Bijagua and Upala, this charming 2.49-hectare land offers a unique investment opportunity in a preserved natural environment. Bordered by a large river on two sides, this property offers picturesque views and easy access to the surrounding nature.

Competitive Price: $359 000

Key Features:

- **Bordered by a Large River:** Enjoy the tranquility and beauty of a majestic river that borders two sides of the property, creating a serene and refreshing environment.
- **Flat Terrain:** Facilitates construction and development thanks to its mostly flat topography, offering multiple usage possibilities.
- **Bamboo Groves:** Although sparsely vegetated, the land features bamboo groves that add an exotic touch and greenery to the environment.
- **Connection Possibility:** With the possibility to connect to water and electricity services, this land offers additional flexibility for your future projects.

Ideal for Your Projects: Whether you're thinking of building your primary residence, a vacation home, or investing in agriculture, this land offers unlimited potential to make your dreams come true.
