Details:

Set on 15,546 m² (?1.55 ha) of tropical gardens, this private estate combines natural beauty, complete privacy, and strong rental potential. With no direct neighbors and open views of Turrialba Volcano, it is an ideal retreat or income-producing property.

The main house offers 2 bedrooms, 1 bathroom, an open kitchen and living room, and a wrap-around veranda overlooking the lush grounds. The guest house includes 2 bedrooms, 1 bathroom, a living room, kitchen, and terrace—perfect for Airbnb rentals, with potential income around USD 150/night.

Additional structures include a chicken coop and a small outbuilding currently used for storage. The landscaped grounds are filled with fruit trees (bananas, avocado, cas, soursop, guava, coffee, limes) and attract abundant birdlife, making the property a haven for nature lovers.

Highlights:

- Two complete homes—live in one and rent the other
- Large titled lot with full privacy
- Year-round temperate climate
- Strong potential for eco-tourism or Airbnb rentals

Price: USD 330,000.
