Details:

Set on 8,965 m² of lush land surrounded by fertile farms and misty peaks, this luxury mountain retreat blends modern architecture with the raw beauty of Costa Rica's highlands.

The main residence is a striking multi-level home featuring 4 bedrooms, 3.5 bathrooms, and expansive indoor-outdoor living areas designed to maximize the sweeping mountain views.

Two additional cabins, each with 2 bedrooms and 1 bathroom, offer panoramic vistas and open-air lounges—perfect for Airbnb rentals or wellness retreats. Both cabins are already operating successfully on Airbnb, with high occupancy rates and 5-star reviews, providing instant income potential.

The property also includes private trails, a refreshing cool climate, and is just 15 minutes from Turrialba town, where you'll find universities, a hospital, grocery stores, and other essential services.

This estate is ideal as a profitable investment with immediate cash flow, or as an exclusive family sanctuary in the heart of Costa Rica's mountains.

Price: USD 1,250,000.
